

## Invitation for Presenters Tasmanian Works and Engineering Conference (TAMS / IPWEA Conference)

The TAMS/IPWEA Conference has been held in Tasmania since 1996. The Conference brings together Works Department Supervisors, Consultants, Technical and Works Staff to discuss current and emerging issues in Tasmanian Public Works along with cutting edge projects from around the state.

**Here is your opportunity to give a presentation at the November 2018 Conference.**

If you've been involved in a project, implemented a new work practice or have a presentation that could be of interest to Public Works Professionals and Works Officers - here's your chance to be heard.

**Submit an outline** of your presentation electronically with a brief introduction to the subject and purpose of your presentation.

The outline can be in text format.

All presentations on the day are expected to be in multimedia format. ie PowerPoint  
Presentations can be 10 minutes in length or up to 30 minutes.

### The submission must

- Have a clear title
- Be original in content
- Have broad appeal and relevance to public works and engineering
- Advise the preferred presentation length (10min, 20min, 30min)
- Contain the name and organisation of the author(s)
- List contact details including email address & mobile phone number

### SUBMISSION DEADLINE

Friday 15 June 2018

### CONTACT

Please forward your submission (or for further information)
